# Instructions on using Teacher Management System of MysmartABC E-Learning

#### Schedule > View Schedule

1. The page of **View Schedule** will display more detailed information about the exercises assigned to each grade in a month. If one grade is selected on the left column, the 1-month practice content of that grade will be shown. If two or more grades are chosen, the 7-day practice content for each grade will be shown.

2. Click the exercise title to view the content of the selected exercise in a new window, along with the correct answers.

## **Report > Progress**

1. The page of **Progress** provides a more detailed report on the performance and progress of all students in a grade or class. Select a class or a grade, and then click "Next" below.

 Teachei	r Manager	ment Sy	stem		
Home	Schedule	Report	Account Management	Profile	
sses List	P2 2 2A 2B 2C 2D	P	3	PS Ø Ø SA Ø SB Ø SC Ø SD	

2. Select Reporting Period, click "Refresh", then the

reports will be created.

(E.g., If a school requires that students need to complete exercises every day, and teachers want to check the progress from 28/04/22-04/05/22, the target number of exercises will be automatically set to 7).
